

# FalconGrip® Premium Diamond-Textured Nitrile Gloves

## Multi-Purpose Hand Protection

### Tough Grip For Tough Jobs

FalconGrip® glove solutions from Kent Automotive make it easy for you to choose the right glove. Our newest raised diamond-textured glove improves grip strength in wet and dry conditions while providing a good fit and excellent performance over a wide range of service and collision repairs.

### FalconGrip® Diamond-Textured Nitrile Gloves Offer:

- Textured design provides improved grip with greater sensitivity
- Great strength and puncture resistance
- Chemical barrier protection
- Resistance to tearing, snagging and slipping
- Gloves are ambidexterous and powder-free

# FalconGrip® Disposable Gloves for Every Job

## FalconGrip® Premium Diamond-Textured Nitrile Gloves

Raised diamond-textured gloves provide improved grip in wet and dry conditions. The orange color offers high-visibility safety.

## FalconGrip® Premium Nitrile Gloves

Nitrile disposable gloves are preferred for their durability and chemical and puncture resistance. They are latex and powder-free; an ideal solution for individuals sensitive to latex.

- Protection from solvents, oils, greases and some acids and bases
- Colors offer a clear indication of tears and breaks
- 100 gloves per box; 10 boxes/case
