Polish & Protect

Stainless Steel Cleaner & Polish

This easy-to-use stainless steel aerosol formulation effectively polishes stainless steel surfaces and leaves a water-resistant shield that inhibits fingerprints. It also leaves a fresh lemon fragrance.

Benefits:

- Water-based formulation
- Can be used on other hard surfaces
- Dries completely with no oily residue
- VOC compliant

Applications:

- Retail stores
- Coffee shops and restaurants
- Grocers
- Doctors' offices

Directions for Use:

Spray a thin, creamy coating over the entire area to be cleaned. Allow a few seconds contact time for solution to penetrate soils. Wipe away solution. Polish to a shine with a clean, dry cloth.
