

Optimize Your Cycle Times with All NEW High Performance Kent Automotive Products

RUSTY OS

Kent Automotive's Rusty OS helps to free even the most stubborn rusty nuts, bolts and fittings and protects against rust and further corrosion. Rusty OS also lubricates to keeps part moving smoothly and quietly.

Glass Kleen HD

A premium glass cleaner designed for the automotive market that powers through grease, dirt, fingerprints and soils to leave windows and mirrors looking new. Does not streak and leaves behind a fresh fragrance. The ammonia-free formula also allows it to be used on tinted windows.
